Minnesota Oncology,

Congratulations! This letter confirms that your practice has achieved *QOPI[®] Certification*. This status demonstrates a commitment to excellence and ongoing quality improvement in your practice.

The complete certification term is three years from designation of *QOPI Certification* status, which your practice achieved **12/15/2014**. QOPI Certification must be renewed every three years and your current term is current through **12/15/2017**. QOPI Certification reflects a commitment to quality of care that leads to fundamental changes in the clinical practice of oncology. You have achieved this certification by meeting QOPI's core standards in all areas of treatment, including:

- treatment planning;
- staff training and education;
- chemotherapy orders and drug preparation;
- patient consent and education;
- safe chemotherapy administration;
- monitoring and assessment of patient well-being.

Congratulations on this significant achievement. If you have any questions, please email: gopicertification@asco.org.

Sincerely,
